numeri possono essere percentuali frazioni equazioni dinanzi alle quali scatta una specie di rispetto di quasi reverenza ma possono anche entrare nel narrare quotidiano viviamo in un mondo di numeri che usiamo in modi e con finalità diverse parliamo con i numeri e dei numeri il loro gioco con le parole crea curiosità paradossi espressioni che anche senza accorgercene sono il nostro pane quotidiano da zero a un miliardo il lettore scoprirà nelle diverse lingue divertendosi gli usi dei numerali nelle conversazioni tra amici

nei proverbi nei giornali in letteratura e nelle varie forme discorsive delle nuove tecnologie

luigi moretti lessons of spazio focuses on the theoretical work of the italian architect luigi moretti rome 1906 1973 it does so selectively focusing on the editorials he published between 1950 and 1953 as editor in chief of the magazine spazio as well as a further essay on parametric architecture published in 1971 1972 in the first issue of the magazine moebius directed by his friend giulio roisecco this book rediscovers moretti s personal impact on international architectural theory through thoughtful comments that shed light on the architect s modernity and original approach although moretti is an architect renowned for his projects and buildings his theoretical essays are less well known the aim of this book is therefore to explore moretti s theoretical work which covers many topics including pictorial art sculpture architecture urban planning music cinema poetry mathematics computer science parametricity in addition to the translation from italian to english the book contains reproductions of the original articles accompanied by a series of essays of critical commentary and updated interpretations that show new ways of approaching reading and understanding the foundations of current architectural theory and its progress over the last 50 years this book approaches moretti s thought from a new perspective with the aim of reconsidering the originality of this brilliant and visionary architect who was intellectually ostracised for many years due to political and ideological contingencies even though he personified the ideal of the renaissance man in modern times a re reading of moretti s work is more justified today than has ever been before both to reconnect the threads with contemporaneity and to make his intensity and farsightedness of vision known to researchers teachers and students working in the areas of architecture and design theory technology and art today

probabilmente la fantalogía ha una evidente componente utopica che ci dà un po di conforto in un mondo che nella realtà quotidiana sembra spesso superare le più pessimistiche distopie marinò ne è consapevole non è un ingenuo ma non si arrende dà la sua testimonianza da una posizione vigile ed appartata per opporsi pacificamente all informe e all immane che sono sempre in agguato il suo entusiasmo quasi fanciullesco per le mille possibilità offerte dalle nuove tecnologie non dimentica però l eredità preziosa del passato e la trasmissione del sapere di generazione in generazione dall introduzione di gabriele simongini fantalogic probably has an obvious utopian element that gives us some comfort in a world where our everyday reality often seems to exceed our most pessimistic dystopias marinò realises this but is not naive

rather than surrender he provides his version from an alert secluded position pacifically contrasting the unformed and immense that are always lying in wait however his almost childish enthusiasm for the thousands of possibilities provided by new technologies does not exclude the precious legacy of the past and the transmission of knowledge from one generation to the next from the introduction by gabriele simongini
